Details of employability support (training opportunities/mentor)

- Mentoring, career advice and support from management and company owners
- Ongoing on the job training
- Training provided by an intermediary body

The Gateway will be offering very comprehensive employability support utilising specialist partners with extensive experience of delivering this type of support on similar programmes. The employee will be assigned a careers coach to work with them before, during and after the placement and to act as a mentor or coach. We will be offering all the required training that employees must undertake including but not limited to: Time-keeping, Attendance, Teamwork, Communication, Remote Working, Confidence and assertiveness in the workplace. The specific employability courses that will be co-ordinated by their careers coach are: Job searching, CV Writing, Interview Techniques, Setting Career Goals, Developing transferable skills.

We are also encouraging employees in conjunction with the employers to undertake further online or virtual training courses on transferable skills, from a vast range we've managed to source through partners. We will also be signposting to free accredited courses. We'll be offering enrichment activities on taking on big challenges, goal-setting, resilience, attitude, growth mindset, determination, persistence, mental toughness, preparation and how to use the programme as a springboard for their future career and life, helping the employees to significantly increase their chances of making the programme a success. Activities will include talks, guidance, webinars from sports stars, prominent speakers, authors and psychologists. We hope the employees will move to a permanent role at the end of the placement. If they do not, they will have been equipped with improved skills, experience and confidence when returning to the jobs market. Employees will collate this onto a CV and LinkedIn profile in a portfolio format so that they can evidence the new skills, experiences, qualifications and training that they've been given. They will also be presented with a Kickstart certificate from us to reward them for their successful participation in all the mandatory and voluntary training at completion of their six months.

Hopefully, a high percentage of employers will see what these young employees bring to their organisations and the employee will have impressed them during this initial 6 months, so that the employee is taken on permanently afterwards or progress into other employment, an apprenticeship, or further/higher education.

We also realise that there's only so much we can do remotely for the employees so are offering a package of training and support to employers to help them make the placement a positive experience and help them to support the young person to progress, develop, learn and grow.
